

Mobile Customer Engagement App for Dealerships

At only **\$49 /month (no extra fees)**, your personalized mobile customer engagement and loyalty app will help you to increase auto & service sales, improve loyalty & referrals, and be more competitive in your local area.

- ✓ **Schedule Service** – increase service appointments by digitally prompting and reminding customers.
- ✓ **Sell More** – promote and sell inventory, parts, specials, body shop and rental services.
- ✓ **Mobile Offers** – sell more services with special offers i.e. oil change, brake service, tune up, etc.
- ✓ **Loyalty Program** – drive in more traffic by rewarding customers for frequent purchases i.e. oil changes.
- ✓ **Live Chat** – improve satisfaction and convert more opportunities by allowing customers to chat with the sales team.
- ✓ **Push Notifications** – send geo-targeted pop-up alerts i.e. specials, new inventory, service reminder, events, etc.
- ✓ **Events** – promote pop-up and special events.
- ✓ **Financing** – enable prospects to inquire and apply for car loan or lease.
- ✓ **Online Reviews** – increase reviews by digitally prompting customers to easily leave a review.
- ✓ **Analytics** – view reports on user downloads, activity, loyalty, coupon redemption, etc.

“Our app helps us to convert more mobile and on-the-lot shoppers, but also adds value after the sale by helping us to retain our customers and prevent defection with mobile offers, loyalty programs, service appointments, targeted notifications, special promos, and much more.”
